WORK AS AN EDITOR

Ambitious work as one of the four editors of the first Finnish-language book on Sexual Medicine (761 pages, 42 authors) published by Duodecim Publishing Company Ltd 2020. The first edition is almost sold out and the second edition is currently being worked on. In addition to editing, I have written 9 chapters in the book. Editing the book included reviewing chapters and helping other authors writing their texts.

<https://www.duodecim.fi/english/>

Editor of the special theme number "Impact of disease on sexual health" of the Academic Journal Duodecim with Professor Päivi Polo. Also wrote one article and an Editorial for this issue.

<https://www.duodecim.fi/2021/10/20/duodecim-lehti-nro-20-on-ilmestynyt-teemana-krooninen-sairaus-ja-seksuaalisuus/>

Numerous scientific and other presentations internationally and nationally.
